**NEW INFORMATION**

Edwards Elementary school teacher Jackie Martin shared with CASA/GAL that John is performing far below his grade level in many subjects. Per Ms. Martin, John exhibits ADHD type behaviors in class which she believes have been impeding his ability to learn. She inquired if an evaluation can be completed to determine if John would benefit from therapy services. CASA/GAL shared this information with One Hope United Caseworker, Martha Montgomery on February 7, 2022. On February 14, 2022, John participated in an evaluation performed by Crystal Howard, Counselor, Howard Counseling Services. Ms. Howard determined that John would benefit from therapy services and will work with Angela Jones, Mother, to establish a schedule for him to attend.
